

CLEAF

innovation >> matrix embossing

Continually attentive to market demands and the need for innovation, VENEER PANELS PTY LTD are very proud to add the CLEAF Matrix range to its impressive building products portfolio.

matrix

from techniques to emotions

CLEAF Matrix brings about a perfect balance between aesthetics and functionality, harmonising with nature as it's platform. Working with the appearance of natural reconstituted timber veneer design for cupboard doors and panels, be it in the kitchen, bathroom, laundry or for shopfitting and commercial furniture solutions, there is a CLEAF design to suit your client's needs.
