Ease of Maintenance

POLYREY HIGH PRESSURE LAMINATE (HPL)

Polyrey's superior manufacturing process allows flexibility in your choice of post formed benchtops. All 62 pattern colours are able to be post formed into the ultramodern square style or front fascia profile creating an elegant and stylish finish to your benchtop at no extra cost. Due to its chemical resistant properties Polyrey HPL can be used in heavy duty applications.

POLYFORM WORKTOPS

Polyform worktops consist of Polyrey HPL Laminate which has chemical resistant properties bonded to a 38mm Moisture Resistant Particle Board substrate with a melamine sealed back. Now in the ultramodern square style profile which allows you to create a sleek finish without black lines in your benchtop and available in 24 fashionable colours.

PANOPREY - PRE-FINISHED MELAMINE BOARD

Polyrey's solution to your cupboard and cabinet panel requirements is the Panoprey range. Available in 69 colours (all matching to Polyrey HPL) Panoprey is a moisture resistant high quality medium density fibre board (MDF) which can be used for kitchen, bathroom and laundry areas. All colours available in 16mm.

POLYPREY - HIGH GLOSS PRE-FINISHED BOARD

Polyprey is a HIGH GLOSS Laminate (BRIHG) bonded to a MDF moisture resistance substrate. The BRIHG finish gives an intense high gloss lacquered effect and at the same time, offers hard wearing and increased scratch resistance due to the added protective overlay. It is suitable for horizontal and vertical applications in residential and commercial projects.

PANOFORM - ROLLED FORM DOORS

Panoform doors feature a rolled edge profile creating a simple curved look for your door requirements. Made with a high moisture resistant MDF core and available in 69 colours in 16mm and finished with a 2mm ABS matching edge. Panoform doors come with a 10 year warranty.

PANOEDGE ABS

Panoedge is a thick solid edging offering greater impact resistance in the application of doors and benchtops. Panoedge is available in 1mm and 2mm thickness matching all 69 Panoprey colours. Panoedge is a much harder wearing alternative to standard melamine edging without the extra cost (1mm option).
